Buechler Farms, LLC is a rustic barn venue that can be rented April through early November, 8 am - midnight the day of the event. Buechler Farms is fully insured. When renting the barn, the deck, the granary, Sunset Patio, and Garden Patio are included. Upon renting the barn, we require half of the rental payment upfront which is nonrefundable. The remaining balance is due 6 months prior to the event which is also nonrefundable. We will ask that a credit card be held on file as a damage deposit retainer at the initial signing of the contract. If no damage is found and no excessive cleaning is required no charges will be made to your card. We will never charge anything without talking to you first. Excessive cleaning is anything above and beyond routine dusting, vacuuming, disinfecting and bathroom clean up. **There will be no use of staples, nails or tape for decorating, no use of tape or adhesive of any kind on chairs.** You are responsible for removing any items used to secure decorations or a charge will be issued. We are not liable for lost or stolen items. A 5.5% sales tax will be added to the rental fee with the exception of a non profit organization.
